

NAKAMOTO Academy Curriculum Roadmap

Education only. Trading involves risk. No investment advice, trade signals, or guaranteed results.

Level 0

Market foundations, vocabulary, order types, liquidity, volatility, and risk basics.

Level 1

Market structure, support and resistance, trends, price action, and invalidation.

Level 2

Risk sizing, expectancy, drawdown recovery, journaling, and review discipline.

Level 3

Auction logic, scenario practice, chart drills, case studies, and research standards.
